SPOT CASH in the hands of buyers never brought customers such magnificent values as "The Greatest of Transmississippi Stores" offers this week. "Still letting down the cash" says the buyers at the crowded counters as they look through the vast assortments of newest styles and note that figures are fully one-third lower than others ask for same materials.

Handling the entire output of many mills—buying right where the goods are made with scarcely a limit to quantity, we naturally secure goods at rock bottom prices and in greater variety. When manufacturers wish to clear up small lots or dispose of cancelled orders for ready cash they naturally turn to "The Big Store" with its tremendous selling power and if the prices are right the goods come here.
